PERSONAL INTRODUCTION

Here's your chance to be creative! We challenge you to introduce yourself in the *coolest* way you know. Tell us if you have any experience in this sort of stuff. If you're a *newbie* (that means, this is the first time you're ever trying this kind of stuff)....AWESOME! The cool thing about this program is that you *don't* have to have experience in any of it.

- **Video or Written Introduction:** Record a short video (no longer than 4 minutes) or write a short statement (no longer than 2 pages) of who you are, where you're from, and anything else you'd like. Type or clearly say your first and last name on the video (so we can match it to your application). Examples: doing poetry, giving a vlog, shooting places that are important to you with a voiceover, doing a make-up tutorial, rapping to your own lyrics, performing an oli (Hawaiian chant), or almost anything else ... as long as it shows us who you are! Please email to Moelani at mmccall@onipaa.org.
